

Early Monologue & Thoughts

Its a big country full of Oddballs.Years ago there was a crank in every town but he knew he was alone or believed he was where as now they find each other.The mechanisms by which oddballs get to know each other has changed and gotten better and better.

The Body never dies

All Hope is not lost. Glory is more than victory. Peace and contentment is possible. No one is saved that wants to be lost. No more tension or stress. Acceptance of life experiences. Choices can be made development is not impossible,if faith ,hope and trust is present. The body is alive. Deep concern acceptance

Expect nothing and you will never be disappointed

Don't poison other peoples head

A woman with a life and a story

The starve treatment

Restrictive interests

People can't stop you from believing in your own dreams

Improv theater open study

Spontaneous expressions

How are you doing?I'm old,ugly,mean,fat and broke.

Tell me a fact Tell me the truth and remember tell me a story and believe it will live in my heart forever

Ingenuity is the ability to be cleverly Inventive and resourceful

The human spirit

Ignorance of the law is no argument

Hero of the American storyteller

Now we belong to the ages

You have to have balls of steel
but still keep your sensibility

You need to be good and fast in the movie business

The dog barks but the caravan moves on

Either step up or step out

Crack the doors of perception open

The key to forward progress is perception

No plants or animals were harmed during the process

Either you help write the menu or you're on the menu

There is value to hearing losers speak

People from the public purse

Swag

Science,technology,engineering,math or visual and
performing arts degree

Frog marched
Steer into the skid

Loves the accolades more than genuine achievement

Why should I tell you what to do.I don't want
you telling me what to do.

Adding forms -Black produces a shape -
adding gray forms a tone adding white forms a tint

sequentially a monologue talking to your self

Mister free style

Three can keep a secret if two of them are dead

Frankenfood

Regular guy Mono creative New notions

Art Valve Media Valve

He was born smart but no real childhood.
He was an imitation adult

Thought Bubble

I'm in love with the world

Stella Adler came out of the Yiddish theater

artist have a responsibility to reflex the culture that you
are in and to give back to that culture in some way,to speak
for the people who can't speak for themselves

Window to humanity
Constantly reinventing myself and constantly
pushing the limits and boundaries

When you have an art studio you want people to visit you,
want them to buy something. When you don't have
many sales you get discouraged

Lenny Hall American Outsider

PR Value Work Harder Put in more time

Read subjects that give a variety of info
Maybe my life experiences could have value

Fame is only a side effect of creativity

Everyone has that pipe dream of finding
a million dollars in the bushes

Doctor Dave's Drainamatic

Ten Dollars to see it Twenty Dollars to ride it

I enjoy being around people
who are intelligent,funny or nice

There is Niceness

If you want to survive in the jungle
you have to go where the waters is

I didn't allow my difficult early upbringing to define my life

You made that choice and the decision. You picked him.
So my sympathy for you is limited

Infinite Diversity

Go beyond the surface to find a deeper meaning and reality

He started on third base and walked to home

People who find a way, despite the odds to
find a way to triumph and get through

A World built on fantasy. Total isolated bubbles in
the form of social networks. Synthetic emotions in the form of pills.
Psychological warfare in the form of advertising. Mind Altering
chemicals in the form of food. Brainwashing seminars in the form of media.

Overestimating your sense of self- importance
If everyone is telling you your drunk. You better sit down.

There are no rules and the rules have all changed

You are a capable man you'll land on your feet

Play it like Ray

I'm a student of human instinct and behavior. I find I learn best
as their instrument.

Mister Spec - The first one is free

He's all heat and no light

Squeeze the margin

The Float - The time it takes to process

It's better to be strong and wrong than right and weak

You can't stop someone going 90 miles an hour

I'm a writer,artist,film maker,improvisationist and musician

Favorite writers Charles Bukowski,Hunter S Thompson
Idris Shah,Tahir Shah,Jonathon Haidt,John Waters

Clutter is the evidence of life

307,000 veterans died waiting for an appointment for VA Enrollment
US Military Combat Deaths Korea 33,739 Vietnam 58,193
Afghanistan 2,363 Iraq 4,492

Living with a sense of purpose
The air in China kills 1.6 million people a year

The heat in Iran reached 165 degrees

We need a carbon tax

Doesn't have a skill set

800,000 people are going to register for asylum or
claim refugee status in Germany this year.

Question:How do refugees eat,bath and live own their way to
another country?How do they find employment and melt into the
countries society?

Gulf states who has not taking in Syrian refugees.Kuwait.Bahrain,
Qatar,U.A.E.,Saudi Arabia

Marginal Living

He began life on third base and walked to home base.

People who find a way to despite the odds to
find a way to triumph and get through

Original and unique art doesn't always fit in the whole cog
and gear of the art community

Cross Marketing and being part of the community

Flea Flicker

Over the top productions

Fueled by Sodium

Sleeper – One who stays in their studio and never or rarely visits other studios.

A negatively charged electrode positioned in the cavity's center creates an intensely hot spark

Sometimes you're the windshield sometimes you're the Bug

Keeper – one who's genuine interest and curiosity about visiting other studios

A Real Keeper – One who is genuine and visits regularly

Improvisation Guidelines -Keep It Simple - Keep Dialogue Short

Make it physical – Take the Audience there – Be part of the drama
the environment.

Creating My Own Path Through Life

The Charm Offensive

finding satisfaction in other ways

paying for our fear not for the crime

Escape The Mundane

Amp Up My Creativity

We Don't have any experimental overlap

The Beast that lives inside people

You get your significance, you find your joy in life
through Service and sacrifice

A Humanistic Sensibility to it

Global residence to it

Functional and fun to look at.

Social and economic mobility

It's my nature to do new things

Laser Vaginal rejuvenation

Call me a dreamer but I think we can pull this one off

In the 1990's NYC tested an idea of the broken window theory
If you fix little things that make people think they are living in
a dumpy neighborhood the big things will follow. If you fix the
broken window and paint over the graffiti and pick up the trash
a social barrier is broken.
NYC said we are going to look good until we feel good

Power Grip

fictions like the devil are in the bible because the age of science when humans didn't know where the sun went at night and is obviously a reflection of mankind's thinking in his intellectual infancy

cleaver Notions

The Weakest Artist Barks the loudest

Imagination VS Duplication

Lack Of Personal Growth

An Octave A Fifth A Fourth

Congress recently passed a bill to completely eliminate the inheritance tax on the super rich. It's going to cause a 20 billion dollar hole in the budget to go to 5000 kids with trust funds of the 5000 billionaires that pay the estate tax only 20 are farmers. 24 americans have been to the moon. More astronauts have been to the moon than farmers paying the inheritance tax in 2013.

Those who forget the past are condemned to Repeat It.

Wishful thinking instead of hard economic analysis

Helicopter parents or free range parents?

It's better to ask permission than to apologize

Dictate to people in other countries the natural course of their development. Powerful enough to change their outlook on ultimate matters of Life.

Progress is a game of inches of leaps and bounds of hindsight

It cannot be explained in other terms Concepts like drugs and medicine are partly defined by culture patterns

It's likely this loosens up standard associations of our thoughts and loosens up how we are viewing the world

Flugnoidism can put you right into the center of yourself to the point that you can start reprogramming yourself.

The US has 4% of the world's population but consumes 65% of the world's supply of hard drugs.

Most popular marihuana 16.7 million cocaine 1.6 million

One technique we've seen pharmacological companies use to get to the very big target is selling sickness and by which they actually educate the public to perceive experiences that they are having as an illness.

Tribal barriers

countless choices define our fate. Each choice each moment a ripple in the river of time. Enough ripples and you change the tide.

Good acting is not performing it's behavioral. When you are not acting you are behaving.

Make it more accessible

It's about driven people who are pursuing the truth pursuing their passion It's about people who are driven by a vision, driven by creativity and they are not going to play by the rules.

That's not my style. I don't confront people. I tell everybody about the problem except for the person I have actually have the problem with.

I like to explore. I think gender is fluid.

With intimacy comes strength. People who feel their own dignity and sense of self-worth can accomplish anything.

I don't always want to dance but I like to be asked once in a while.

We should never simply write ourselves off and see ourselves as victims of various forces. It's always our decision who we are.

My method of making art is designed inexpensively and quickly to maximum effect. Fun Easy Fast Cheap good creative original

We are star dust.

Be ashamed to die until you have scored some victory for humanity. Leave the world a better place.

Even a blind squirrel can find a nut once in a while.

A slug always leaves slime in his tracks.

How terrible is wisdom when it brings no profit to the wise

The Bone Dance

What is the true horror behind the monsters? Its the monsters at home.

Ideas + characters then plot

The characters playing opposite roles every season
so the actor can be challenged

People with a lot of differences

Embracing the flawed characters
creating incredibly flawed people

they are a little bit weird a little bit dark. their morality is a little bit severe

Cenobitic way Community Way

The teacher must so arrange everything that the strong have
something to strive for and the weak have nothing to run from.

What's the absurdity meter

Being on the outside gives you an incredible perspective
and changes you as a person and gives you ideas about what you see

Hell is the enjoyment of your own way forever

Marginal rewards

Patience is the weapon that forces deception to reveal itself

You can put a cherry on shit but it doesn't make it a sundae

Character Courage Collaboration Competence

I am driven by the terror of not being able to feed myself

He's a Renaissance man in a time when everyone is doing one thing

I don't want to make this what I'm about as a person

When 40 people accuses you of something
there might be some truth to it

Pissed Off Pete and his Toilet Seats

I live in that solitude that is painful in youth but delicious
in years of maturity

Transgender people have a gender identity that differs
from the one they were assigned at birth and that gender identity is not the
same as
sexual orientation.

Gender Identity is who you are.sexual orientation is who you love.

There are over 700,000 transgender people in the US.That's more than all
the people in Boston

I have activities I do when I'm depressed. When I'm upset .It soothes me
down.Its one of my coping strategies.We develop mechanisms to cope
and pacify for a time our early life problems and terrible life experiences

Its like looking in a Haystack for which any
sharp needles have been removed

I think you bare the burden of others injustices
but you're not bitter about it.

My creativity is a template to something more interesting

Maybe this is just more self serving than I realized. Maybe its
as simple as I Don't say no very well so its easier to say yes
and live with the consequences.

We have a reptile brain down inside and that brain is cold blooded

Serial Entrepreneur

A business that runs on its own need
processes,organization, management

The natural point of Failure

Place yourself in a narrative that get people excited

True genius is commonly misunderstood

This new generation. Everybody wants to go straight to the top.

The Parcel Reinforcement Existing Effect

Build the capacity to be resistance to frustration

The mastery of what I do is not what I've done but that anyone could also do it to including music, art, theater, film and writing.

I can take something and make it recognizable on my own than just copying something that already exists.

All the stories have to bounce off each other and have to effect each other involved with each other changing each other. It works

Doing the wrong thing thing but for the right reason.

The better angels of our nature
Lenny Hall AKA Lance Gargoyle has for over 4 decades has never compromised himself and has followed his own path.

Cheer Up People. This is when you get to make it right.

There's not replacement for disarmament

Lenny Hall -Boldness and originality

I strongly resonate with your views

Shadow father issues

Give them a piece of the wind

My sister caught me with my other sister

Don't imitate Inhabit

Never trust the experts

It's like an auto mechanic working on your heart

Sometimes justice isn't obvious

The associated similarities

He could sell a ketchup Popsicle to a woman with white gloves

An eye into the things you don't normally see

Using ancient utter nonsense to justify present policies

You can't figure out real problems with magical thinking.

Cooking the Earth

I'm not a gumball machine

You can't just turn a handle when you want a treat

An inability to engage with reality

How does your real life measure up to your dreams?

They only have empathy for people when it happens to them

They can't imagine someone else's circumstances

It was done to shake some pennies from the rubes who watch them

Deflect Blame

As they never look inward

If you don't deal with your shit, your shit deals with you.

Emotional Tourists feed off others' experiences to fill their own emptiness

We are all searching for something that makes us feel alive
something to connect with to give our life meaning

Opening up the mind All education is about making people curious

All forms of communication is teaching All art is teaching

A visual artist shows us ways of looking at the world

A novelist shows us ways that people behave.

A musician shows us how to listen

Adversity doesn't only build character, it reveals it

It cost 49.50 a day per prisoner

Imagine - Adapt - Overcome

Sideline Productions

They need positive reinforcement

Life processes - Realize our goals - Define our personality -
Make sense of our world

I'm a writer .. collecting the raw material of the pictures of life
that I paint with words

He has approached his pastimes with the same intensity
as his work

A sense of imagination - A sense of the future and a sense of diversity.

An ideal that people could study even if they aren't members of the elite.
People should have a place

We go to school to get a good job.
We should go to school to learn about life

What do I want my students to get out of this?
Students not being turned out as "Work Units"
for society, for an impersonal factory but to turn out
people into service providers and not control agents

40 HZ Cycle - Every 40/1000 of a second there is a pulse
from your brain stem that spreads through out your brain.
And its a regular pulse. It times your breathing, your heart rate
to time.

It is the pressure generated by ordinary folk that is
actually the force for change

Self-evaluation - You need feedback

You have to prove yourself to stay in the study group

Kanoodle Together

Polish the social faculties

Slices and Scrapes

The lowest common denominator sets the agenda

If you wait your turn until your turn finally comes
America is a ready tired of you

Get In Early

He looks like a four year olde crossed with a troll

People are like swede jackets. There are cheap ones
and expensive ones
But once they get rain on them. They all look like shit.

You start with something pure and exciting. then
comes the mistakes the compromises

We create our own demons

There is something going on outside of your micro targeted
world of fashion,music or whatever zombies are into

Jelly fish are taking over the ocean. They are the cockroaches
of the sea that will eat all the toxic shit we are putting in the sea

We have 7 billion people living on a planet that the atmosphere
is quite thin

Lenny Hall paints spontaneously in order to by pass his
conscious censer and get into his hidden world of the subconscious

My paintings are free,open,expansive and alive.Daring and wild

Four companies make 85 % of our beef
Three companies make half of our chicken

He's found a sense of self worth through these other people
and its okay to be who he is

Fortune favors the Bold

The LG Chronicles

Transference of fear and self – loathing to an authority vessel

He absorbs their dread with his narrative because of this
he is effective in proportion to the amount of creativity he can project.

We craft our identities by making value judgments

Make people feel relaxed

We were designed to make copies of ourselves
even extra copies of ourselves

40% of the Earth is devoted to only one species,our own.
We are pushing other species off the planet

Americans are 5% of the population and we use 20- 30 %
of the resources.If everyone lived like Americans
we would need five Earths.

Without nitrogen fertilizer 40% of us wouldn't be here

16,000 children starve to death every day

Education is the best contraceptive

She should have a zipper on her vagina

Feces Thrower

Not having any sense of insecurity makes him come off
as completely complacent and smug

Germany takes the month of August off. They make twice
as many cars as we do and its a little bigger than New Mexico.
Germany exports almost as much as the US and has only
a fourth of the population. We have a trade deficit of 471
billion.Germany has a 197 billion surplus.

Billion years ago – The Big Bang

The nature of existence

I grew up a chronic stutter who would hang around friends or neighbors
houses at dinner time because there was nothing at home to eat.

Change the economic playing field and also the cultural playing field.

Isn't life hard enough without making shit up
out of thin air to fuck with yourself?

Jews can't eat ham. Jehovah Witnesses can't buy girl scout cookies.
The Amish can't drive cars. Catholics can't masturbate. Scientologist
can't go to therapy. Baptist can't dance. Sheiks can't shave.

Test ideas by experiment and by observation.
Build on those ideas that pass the test.
Reject the ones that fail.
Follow the evidence where it leads and question everything.

Bingo and Bango

Fish and company start to stink after 2 days

Lenny Hall – Media Maverick

7 million tons of plastic in the ocean. Plastic is worst than
oil because it stay there.

No fish by 2048. If the ocean dies we die. The fish are going to the poles.

Recycling plastic from the ocean and making clothing with them.

Since 1980 college tuition has increased 600 % above the inflation rate.

1.3 trillion dollars owed in student loans

We have spent more than a trillion dollars on the war on
drugs, arrested 37 million people for non violent crimes.

We are walking into the future backwards.

My creativity is a platform to something more interesting.

To have a leader who understands people who knows the

heart of what's going on. The real issue is how we treat each other.
How are we in relationship with each other. So into his head so
thoughtful but he doesn't know anything about the heart of people.
Be responsible to peoples needs. Many leaders have lost the capacity
to really touch the pain of peoples lives.

Faith is about being nourished from the inside out.

Nudge You Productions

How I came to be where I am – A powerful story

Be like a storyteller Go to an uncomfortable place

What is the one thing that gives your life meaning?

Gravity Electro magnetism Weak Force Strong Force

What is the thing in life that gives you meaning?

He set a standard for a certain quality. Has a clear idea about things. Could see what other people couldn't see.

How do you cast? Gut reaction.

Most important for an agent to do is to enjoy the people you work with and be interested in them.

Since the US invaded Afghanistan in 2001 opium cultivation has gone up 2500% .

Iran has the largest addiction rate in the world. 400 ton a year

He either has balls of steel or the brains of a chicken.
Don't mix pot with alcohol. It's like funny porn. It makes both awful.

Nothing ruins a party like people who are paranoid and delusional.

One reason pot is productive for creative people is it allows you to see things you've become accustom to as if for the first time.

You can't spend 15 minutes on a project and expect a years worth of experience.

Let's all remember you don't need to do drugs to have a good time but why take the chance.

The law of the world is like a spiders web . A big fly will get through but a small one will get stuck.

The truth is you have to find the strength within yourself.

Question authority. No idea is true just because someone says so.
Think for yourself. Question yourself. Don't believe anything because
you want to. Believing something doesn't make it so.
Test ideas by the evidence gained from observation and experiment.

Individual artist have moments. It has nothing to do with if they
are good or not. It has to do with cultures, tastes and appetites
shifting but everybody who has a way of making something

Whatever doesn't come out in the wash
will come out in the rinse.
Are you smelling what I'm saying?

You have to make an effort otherwise nothing happens. Then
you blame everything but yourself.

There is no greater honor than being recognized
by your peers as someone that stands out.

The object is to bring your job, whatever it is to the level of art.
There is an art of doing everything.

Cheap, Fast and Good. Pick two.

You are entitled to your own opinion but not your own facts,

There is this thing called Observable Reality. Some people say
that observable reality needs more study.

A set back is only an opportunity in work clothes.

The Art of Possibility.

Looks kind of Slap and Tickle

1% of the population own 37% of the country's wealth.

Get a grip on life.

Microbes. Trillion of bugs. Most of the cells in your body are
microbes and have been with us since we've been animals,
about 500 million years. They are ancient and beneficial for us.
They do all kinds of good things for us. They help us with digestion
and immunity. These are our good bacteria.

We are losing the diversity and the richness of the communities living in the US.

One out of eight households can have the American dream.

Institutions have to be grafted on the way human nature really is.

Are you a celebrator or a critic?

It's much more different to wage peace than it is to wage war.

Give the underdog a seat at the table.

Civilization pivots on the work of singular people who have taken chances and went where no one before wanted to go or could go.

Value judgments

Where there is music there is not evil.

Insignificance If that's your mind set going it could depress you .

Creating without financial motivation

Finding my own style and voice

Innovated Diversion Laboratories

The usher

The unavoidable appointment

David Lynch meets John Waters

When you don't have to tell others, including yourself about your improvements you're improving.

Nick, you're part of the family now. Are you Italian? No.

Do you know any Italians? No. Do you like Italians? I guess so.

That's a good start. Now go into the lichen and get yourself a meatball.

Sound – Content – Rhythm – Perceptive – Feeling

The body expressing itself.

Keep the body in mind besides the content

Loud Soft Slow Fast Tone Quality

You are inside that experience

The experience is what calls for the shift

The more open you are the more you could go

Reality is for people who can't face drugs.

Its tough when you're their last shot at happiness

Don't worry about being significant.Worry about being necessary.

Understands the seeder underbelly of society

It always works once in a while

Brain Oil Press - The only free press left

Motion and movement

starting from nothing and making good

If you want to sell something it's a good idea
to make people curious about it.

Look he touched one and nothing happened !
